**BULLETIN**

**DATE:** December 4, 1995  
**TO:** All Workers' Compensation Insurers  
**FROM:** Lorette Gendron - W C Rate Analyst  
**RE:** **WC - PROSPECTIVE LOSS COST FILING**

Effective January 1, 1996, the State of New Hampshire Insurance Department has approved for use the National Council of Compensation Insurance's, Advisory Loss Cost and Rating Values dated September 18, 1995.

The approved average overall advisory pure premium loss cost change will be a decrease of -7.1%.

In line with our July 1, 1995 directive, all companies writing Workers' Compensation coverage in the State of New Hampshire have to accept and use NCCI's prospective loss costs.

The Residual Market Loss Cost multiplier has been set at 1.36. If your multiplier is now above 1.36 or if you would like to make any changes in your multiplier(s), please refile. All changes are to be effective January 1, 1996.

If there are any further questions, please call.

Please disregard this Bulletin if you do not write any Workers' Compensation coverage in N. H.
